whatever the conditions

RJ-4250WB

Reliable Connectivity
Provides multiple connectivity options for use in different environments, with USB, WiFi and and Bluetooth (low energy) with MFI capabilities and passive NFC.

Robust Design
The RJ-4250WB is our toughest yet, with an IP54 rating and drop tested up to 2.1 metres, providing the ultimate in durability.

Easy to deploy
Using the new Mobile Deploy App, update your printer remotely from any location. For more information, visit brother.com.au/service-and-support/labelling-apps.html

Easy to use
The LCD screen with menu options makes it easy to program as well as a backlight that ensures you can see it in dark conditions.

Seamless Integration
Printer drivers are available for Windows OS and software development kits can be downloaded to support Android and iOS operating systems.

Customisation
We have a wide range of accessories made to suit any environment. See next page.

Brother Font Manager
Brother Font Manager can be used to convert and download fonts in characters or languages not supported by built-in fonts. These can then be stored on a RJ printer and recalled later when printing receipts and labels. For more information, visit brother.com.au/service-and-support/labelling-apps.html

Our RJ-4250WB mobile printer is fast, compact and extremely rugged. It empowers workers to operate in any environment with speed, accuracy and efficiency.

It has built-in WiFi and Bluetooth connectivity, printing up to 4" width receipts, quotes, tickets, invoices and labels on demand.
