

HS2100

Rugged Wired Headset

Quick Start Guide

Zebra reserves the right to make changes to any product to improve reliability, function, or design. Zebra does not assume any product liability arising out of, or in connection with, the application or use of any product, circuit, or application described herein. No license is granted, either expressly or by implication, estoppel, or otherwise under any patent right or patent, covering or relating to any combination, system, apparatus, machine, material, method, or process in which Zebra products might be used. An implied license exists only for equipment, circuits, and subsystems contained in Zebra products.

Features

✓ **NOTE** This guide applies to both the OTH and BTN headband models, unless otherwise noted.

Over-the-Head (OTH)

Behind-the-Neck (BTN)

Position the Boom

Do not rotate the boom beyond the stop point.
* Applies to OTH model. The BTN model has only left side boom placement.

Connect the Audio Cable

Insert the audio cable into either the top or bottom audio cable port, depending on right or left placement of the boom.

Position the keyed cable edge with the audio cable port slot.

Adjust the OTH Headband

The headband can be squeezed for a tighter fit to the head and clicks as it is positioned into place. When adjusting the headband,

- Position the ear pad in the center of the ear.
- Position the T-Bar above the ear, half way between the top of the ear and the top of the head.

Adjust the Microphone

Position the microphone icon so that it is facing your mouth.

Adjust the Microphone Boom

Place the microphone two finger's width away from the corner of your mouth, so it is slightly to one side.

Mute the Microphone

Place the microphone boom in the upright position.

✓ **NOTE** The Mute on Boom feature is dependent on device support.

Clip onto Clothes

To ensure that the headset cable does not interfere with movement, clip the cable to clothing, using the provided clip.

Maintenance

Replace T-Bar

* Applies to OTH model.

Replace Headband

Disassemble the headset to replace the headband.

Replace Ear Pad

Firmly grip and pull the ear pad and inner casing.

Align and snap the new ear pad into position.

Replace Windscreen

Regulatory Information

This device is approved under Zebra Technologies Corporation.

This guide applies to Model Number HS2100.

All Zebra devices are designed to be compliant with the rules and regulations in the locations they are sold and will be labeled as required.

Local language translations are available at the following website: www.zebra.com/support.

Any changes or modifications to Zebra equipment not expressly approved by Zebra could void the user's authority to operate the equipment.

Radio Frequency Interference Requirements - FCC

Note: This equipment has been tested and found to comply with the limits for a Class B digital device,

pursuant to Part 15 of the FCC rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Radio Frequency Interference Requirements - Canada

CAN ICES-3 (B)/NMB-3(B)

CE Marking and European Economic Area (EEA)

Statement of Compliance

Zebra hereby declares that this device is in compliance with all applicable Directives, 2014/30/ EU, 2014/35/EU and 2011/65/EU.

The full text of the EU Declaration of Conformity is available at the following internet address: <http://www.zebra.com/doc>.

Waste Electrical and Electronic Equipment (WEEE)
